

Bangladesh High-Speed Optical Cable Manufacturer

AI Overview

Bangladesh hosts several leading manufacturers of high-speed optical fiber cables, including Leo ICT Cables PLC, ABS Cables Ltd., OCC Cables Limited, OFS Cables, and FONSBD, all offering advanced technology and reliable products for telecom and broadband networks.

Key Manufacturers

Leo ICT Cables PLC (Leo Fiber™) specializes in high-quality fiber optic cables, Optical Network Units (ONUs), and routers. Their products are designed for superior performance and reliability in high-speed data transmission, making them a prominent choice for both corporate and residential applications in Bangladesh.

ABS Cables Ltd. is recognized for its manufacturing excellence using fourth-generation German technology machinery. They focus on producing optical fiber cables with zero defects, ensuring high reliability, productivity, and quality assurance. Their factory is located at BSCIC Industrial Estate, Cumilla, and they serve both local and international standards.

OCC Cables Limited operates with advanced German technology machinery and emphasizes high-quality standards. Their products are widely used by ICT companies, ISPs, and CATV providers. The company is committed to zero-defect optical cables and continuous improvement in product quality.

OFS Cables and Bizli Cables provide a range of fiber optic solutions for both household and industrial applications. OFS Cables focuses on reliability and performance for ISPs, while Bizli Cables offers communication, telephone, LAN, and fiber optic cables with advanced technology.

FONSBD is an experienced OEM/ODM manufacturer and authorized dealer of Fujikura optical fiber products. They provide durable and stable optical cables suitable for outdoor distribution, long-distance networks, and high electromagnetic interference environments. Their products include armored, double-sheathed, and self-supporting cables for both aerial and u...
