

Cable Management Stand HS

Overview

The Heavy Duty Cable Stand is specifically designed for environments where robust cable management solutions are needed. This product provides a way to keep wires, cables, and hoses elevated, ensuring they remain organized and protected. With the clampable cable management, you can organise and tidy up your workplace more easily! The screw clamps allow quick and easy organisation without damaging the desk. Thanks to the open design, air can circulate better. The cable lead stand features a safety yellow powder-coated finish for high visibility and boasts a weight capacity of up to 250 kg. The cable holder offers plenty of space for cables, socket strips and power supply units. The big advantage: the holder does not need to be screwed into the desk top. No drilling, screws or tools are required. Built to accommodate heavy-tech usage, The High-Capacity.
