

Cost of Stainless Steel Cable Trays in Haiti

AI Overview

Stainless steel cable trays in Haiti typically range from \$10 to \$25 per meter, depending on type, size, and supplier. Pricing Overview The cost of stainless steel cable trays varies based on material, design, and load capacity. Stainless steel is more expensive than galvanized steel or aluminum due to its corrosion resistance and durability, making it ideal for harsh environments or industrial applications. Typical prices per meter range from \$10 to \$25, with ladder trays and reinforced designs at the higher end due to their ability to support heavy cable loads. Factors Affecting Price Material: Stainless steel is pricier than galvanized steel or aluminum but offers superior longevity and resistance to corrosion. Tray Type: Ladder trays, perforated trays, and wire mesh trays differ in cost; ladder trays are generally more expensive due to structural strength. Size and Load Capacity: Larger trays or those designed for heavy cable bundles cost more. Supplier and Location: Local suppliers in Haiti, such as Brilltech Engineers and Jeetmull Jaichandlall, offer competitive pricing and can provide quotes based on project requirements. Additional Costs: Shipping, installation, and customization can affect the final price. Local Suppliers in Haiti Several suppliers provide stainless steel cable trays in Haiti: Brilltech Engineers Pvt. Ltd.: Offers stainless steel, galvanized steel, and fiberglass trays with installation support and project consultation. Jeetmull Jaichandlall (P) Ltd.: Provides a variety of sizes, shapes, and configurations, tailored to industrial and commercial needs. Micro Sheet Crafts: Supplies customized cable trays with quality assurance and on-time delivery. Recommendations For accurate pricing, it is recommended to contact local suppliers directly to request a quote based on your project's specifications, including tray type, length, and load requirements. Bulk orders may also reduce the per-meter...
