

Custom-made electrical distribution boxes in Canada

Overview

Discover Canada's top 5 outdoor electrical enclosure manufacturers, including Eabel and Graybar, offering durable, customizable solutions for harsh climates. We have extensive experience in the energy sector, offering products and solutions designed for hazardous and non-hazardous. When you need custom electrical panels or power junction boxes that work in real-world industrial conditions — not just on paper — MSCP, one of the leading electrical panel manufacturers in Canada, delivers. Our team consists of sales, technical, design and fabrication members, all of whom work with a 'customer first' mindset. Explore E-abel's journey with the DP series in the canadian market, where our specialized modifications and innovative design solutions have helped enhance the functionality and adaptability of our distribution boxes, catering to unique customer needs. Improve DP to expand the market.
