

Distribution Box ns2

Overview

NS2 Application: motor starter Nominal voltage: 690V AC Nominal current: 0,1. 80A
Accessories: NS2-UV - undervoltage release NS2-SH - shunt release NS2-AE - auxiliary contacts block- front NS2-AU - auxiliary contacts block- lateral NS2-FA - alarm contact block NS2-MC - control. welcome to taobao buy waterproof installation box, taobao tens of billions of hot selling goods, official logistics can send to the global ten land, support foreign currency payment and other payment methods, platform customer service 24hours online, by merchants offer return promise, let you. welcome to taobao buy waterproof installation box, taobao tens of billions of hot selling goods, official logistics can send to the global ten land, support foreign currency payment and other payment methods, platform customer service 24hours online, by merchants offer return promise, let you. Our waterproof boxes are all made of high-strength plastic outer boxes 3. Durable and sturdy, not easily worn, resistant to high temperatures and extreme cold See more product details 1. Rated for operational currents up to 32 A, it combines the functions of a circuit breaker and a thermal overload. Our waterproof boxes are all made of high-strength plastic outer boxes 3.
