

Dominican Republic electrical distribution box size company

AI Overview

Several companies in the Dominican Republic supply electrical distribution boxes of various sizes, including CUTLER HAMMER INDUSTRIAL LTD., SINEM, Grupo Elias, and multiple distributors listed in local directories.

Key Suppliers

CUTLER HAMMER INDUSTRIAL LTD. This company assembles and supplies electric circuit breaker boxes in the Dominican Republic, offering a range of sizes and configurations suitable for industrial and commercial applications. They are recognized for high-volume production and export capabilities, making them a reliable choice for bulk orders and specialized electrical projects (Volza).

SINEM SINEM provides comprehensive electrical solutions for industrial and utility sectors, including distribution boxes, control panels, and energy management equipment. They partner with global brands like Siemens and NEM Energy, offering technical support and customized solutions for large-scale energy and industrial projects.

Grupo Elias Grupo Elias has been active in the Dominican market since 1967, supplying electrical and lighting solutions for industrial and project-based applications. They offer a variety of electrical materials, including distribution boxes, and cater to both commercial and industrial clients.

Other Distributors and Suppliers The Dominican Republic has a wide network of electrical suppliers that offer distribution boxes and related products. Examples include:

- Electricos San Vicente** – Specializes in low and high-tension electrical materials.
- Gradient Technologies, S.A.** – Wholesale supplier of electrical and electronic products through GMD Dominicana.
- Importadores y Distribuidores locales** – Many companies listed in directories provide boxes, conduits, and installation materials for residential, commercial, and industrial use.

Considerations for Sourcing

Product Range: Suppliers offer boxes in various sizes, from small residential...
