

Fixed Cable Tray Manufacturers

AI Overview

Top fixed cable tray manufacturers include Spina Group, Atkore International, Chalfant Manufacturing, and Eurotray, offering durable, compliant, and customizable solutions for industrial and infrastructure projects. Leading Manufacturers and Their Offerings

Spina Group (Italy) specializes in ladder and perforated cable trays designed for heavy-duty industrial applications, shipbuilding, and infrastructure projects. Their products include stainless steel, hot-dip galvanized, and aluminum trays, with full compatibility with accessories like elbows, junctions, and supports. They comply with EN and UL standards, ensuring long-term performance and corrosion resistance in demanding environments .

Atkore International is a global manufacturer providing a wide range of cable management systems, including standard and custom roll-formed cable trays. They offer galvanized, stainless steel, and fiberglass options, with extended warranties and solutions suitable for construction, renovation, and industrial projects .

Chalfant Manufacturing offers innovative cable tray systems such as the self-connecting GR_Magic and RKS-Magic lines, as well as walkable BKRS trays. With over 70 years of experience, they provide tailored solutions for both indoor and outdoor installations, emphasizing quality and compliance with industry standards .

Eurotray Support Systems (Turkey/Germany) produces cable trays and mounting systems designed for heavy cable loads, raised floor applications, and industrial hygiene-sensitive environments. Their product range includes galvanized, hot-dip, aluminum, and electrostatically coated trays, with turnkey solutions for complex installations .

Additional Notable Manufacturers
