

High-tech Trough-type Cable Tray Manufacturer

AI Overview

Leading manufacturers of high-tech trough-type cable trays include JLH Electric, MP Husky, and HAURATON, offering advanced, certified, and customizable cable management solutions. JLH Electric (Shandong, China) JLH Electric specializes in custom cable tray solutions, including cable trays, cable trunking, cable ladders, perforated trays, and wire mesh trays. They are a provincial-level high-tech enterprise with ISO 9001:2015, ISO 14001, ISO 45001, and CE certifications. Their manufacturing facility spans 10,000 square meters and is equipped with advanced machinery such as CNC punching machines, welding robots, plasma cutting machines, and automatic molding lines. JLH Electric collaborates with universities for R&D, ensuring innovative and high-quality products suitable for power distribution, control, and communication systems. MP Husky (USA & Canada) MP Husky is a leading North American manufacturer of UL, CSA, and NEMA-certified cable tray systems, including wire mesh/basket trays, cable bus systems, and nuclear-grade trays. Founded in 1955, MP Husky emphasizes reliability, innovation, and eco-friendly manufacturing. Their products are widely used across industrial, commercial, and institutional applications, offering high strength-to-weight ratios, modularity, and easy system expansion. MP Husky provides extensive customer support and engineering services for complex cable management projects. HAURATON (Europe) HAURATON produces trough-type cable systems designed for safe and secure routing of electrical cables, pipes, and utilities. Their systems include fibre-reinforced concrete and recycled composite troughs with solid, non-slip covers and boltless locking mechanisms for quick installation and maintenance. HAURATON troughs are suitable for industrial buildings, airports, stadiums, warehouses, and rai...
