

Indian cable tray brands

AI Overview

India has a robust cable tray manufacturing industry with leading companies like ELCON Group, KP Green Engineering, Ajay Industrial, Sharda Cable Trays, and Electrotech Industries offering a wide range of high-quality cable management solutions. Leading Cable Tray Manufacturers in India

ELCON Group is a prominent manufacturer with over 34 years of experience, offering ladder and perforated wire mesh cable trays, along with accessories and customized solutions for industrial applications. KP Green Engineering specializes in industrial-grade cable trays with high-load capacity, corrosion resistance, and long life. They provide perforated and ladder-type trays in mild steel, pre-galvanized steel, and FRP, with customization in thickness, width, length, and side rail height to meet project-specific requirements. Ajay Industrial Corporation Limited (AICL) is an ISO-certified manufacturer providing durable cable trays for industrial, commercial, and infrastructure sectors. Their perforated trays ensure excellent ventilation and drainage, suitable for low-voltage and communication cables, and are available in HR sheet, GP sheet, Galvalume, stainless steel, and aluminum. Sharda Cable Trays Pvt Ltd manufactures a wide range of perforated and ladder-type trays with essential accessories and customization options, focusing on durability and effective cable management. Electrotech Industries offers ladder and perforated cable trays made from stainless steel and aluminum, widely used in data centers, commercial buildings, solar energy projects, and industrial facilities. Their trays provide mechanical support and protection for cables while optimizing space and ventilation. Patny Systems Pvt Ltd has over 32 years of experience in manufacturing cable trays, grating, solar structures, and earthing materials, emphasizing quality and timely delivery.
