

Jamaican electrical distribution boxes in stock

AI Overview

Electrical distribution boxes are available across multiple suppliers in Jamaica, including CESCO, Enersave Solutions, Carisol, Premier Energy Solution, Epic Events, and FosRich. Key Suppliers and Options CESCO Limited offers a variety of electrical boxes and enclosures, including metal wall cases, weatherproof DIN-type enclosures, and high-capacity isolators ranging from 30A to 200A, suitable for both indoor and outdoor installations in Jamaica. Enersave Solutions stocks combiner boxes and distribution panels for solar and AC applications, including 15A to 6 IN 1 OUT combiner boxes, as well as dual power distribution boxes with automatic transfer switches and surge protection. Some high-capacity units like 63A and 100A AC dual power distribution boxes are currently sold out but can be requested. Carisol Group provides a wide range of PVC and metal electrical boxes, including wall switch boxes, Besa boxes (U, H, Tee, and Intersection types), and conduit fittings. They offer both surface mount and flush mount options, ideal for residential and commercial installations. Premier Energy Solution carries 8-way panel boxes and solar distribution protection boxes with DIN rails, featuring IP65 ABS transparent covers for indoor circuit breaker installations. These are suitable for solar and general electrical systems and are available for immediate purchase. Epic Events and Rentals offers electrical distribution boxes for event and general use, with options to request a quote for specific requirements. FosRich stocks weatherproof PVC boxes ranging from 4x4x2 to 12x12x6 inches, with 241 units currently in stock across Kingston, Montego Bay, and Mandeville locations.

Considerations

Capacity & Type: Choose boxes based on amperage, number of circuits, and indoor/outdoor use.

Material: Options include metal, PVC, and ABS, with weatherproofing for outdoor installations...
