

Latest Price List for Fiber Optic Cables for Smart Buildings in Oman

AI Overview

Fiber optic cable in Oman typically costs between \$0.09 and \$6 per foot, depending on type, strand count, and installation requirements.

Price Range

- Single-mode fiber:** \$0.10 to \$0.50 per foot for the cable itself, suitable for long-distance and high-speed backbone connections.
- Multimode fiber:** \$0.30 to \$1.00 per foot, commonly used for shorter indoor runs and smart building networks.
- High strand-count cables:** For example, a 12-strand cable costs around \$0.50 per foot, while a 24-strand cable can reach \$1.00 per foot. Large backbone cables (e.g., 288-strand) may cost up to \$6 per foot.
- Specialty cables:** Armored or plenum-rated cables for harsh environments or air-handling spaces can range from \$0.50 to \$5 per foot.
- Pre-terminated or patch cables:** These incur additional costs depending on connector type and fiber count.

Factors Affecting Cost

- Cable Type:** Single-mode vs multimode, indoor vs outdoor, armored vs standard.
- Fiber Count:** More strands increase cost proportionally.
- Installation Method:** Underground or aerial installation, splicing, and termination services add to total project cost.
- Local Sourcing:** Purchasing from Omani suppliers may include shipping, local taxes, and support services.

Local Suppliers and Distributors in Oman

- Ainaan Networks:** Offers fiber optic installation, splicing, and structured cabling solutions across Oman, including Muscat, Nizwa, and Sohar.
- D-Connect Oman:** Provides fiber optic cables, patch cords, hybrid solutions, and armoured patch cords with local stock and technical support.
- Oman Cables Industry (SAOG):** Manufacturer of high-quality fiber optic cables suitable for commercial and smart building applications.
- OCS Infotech and SwiftBeam:** Specialize in structured cabling and FTTH/FTTX deployment for enterprise and telecom projects.
- Local dealers:** Omaninfo pages lists multiple distributors and agents in Muscat for direct procurement.
