

Malawi cable tray manufacturer and sales

AI Overview

Leading cable tray brands in Malawi include Brilltech Engineers, Micro Sheet Crafts, Cable House, and Bahra Electric, offering a range of high-quality, customizable cable management solutions. Key Manufacturers and Suppliers

Brilltech Engineers Pvt. Ltd. is a prominent supplier in Malawi, offering durable cable trays made from galvanized steel, stainless steel, and fiberglass. Their products include ladder and perforated trays designed for enhanced airflow, safety, and cable protection. Brilltech provides customization options for size, material, and design, and has expanded operations into African markets, including Malawi, making them a reliable exporter and supplier.

Micro Sheet Crafts offers modular cable trays fabricated from high-grade steel, with a focus on durability and compliance with quality standards. They provide competitive pricing and customized solutions to meet client specifications, emphasizing timely delivery and customer satisfaction.

Cable House, established in 1983, is recognized for manufacturing a wide range of cable management products, including cable trays, industrial connectors, and crimping tools. They provide customized solutions and are known for high durability and reliable performance, catering to both national and international markets.

Bahra Electric supplies versatile metal and non-metallic cable trays suitable for commercial, industrial, and institutional applications. Their products are modular, cost-effective, and designed for easy installation, maintenance, and future upgrades.

Product Types and Features

- Ladder Cable Trays:** Popular for industrial and commercial use, offering superior strength and durability.
- Perforated Cable Trays:** Promote airflow to prevent overheating and ensure optimal cable performance.
- Galvanized Cable Trays:** Resistant to corrosion and suitable for harsh environmental conditions.

Customizable Options: Most suppliers offer tailored sizes, materials, and configurations to meet specific project requirements.

Market Considerations Cable trays in Malawi are widely used in construction, electrical, and...
