

Mongolian cable tray price quote

AI Overview

The cost of a standard 2.4-meter hot-dip galvanized ladder-type cable tray in Mongolia ranges from approximately ₮1,310 to ₮5,307, depending on material, size, and supplier. Price Overview Cable trays in Mongolia are generally cost-effective solutions for cable management, offering durability, low maintenance, and ease of installation. The typical price range for a hot-dip galvanized ladder-type cable tray of standard length (2.4 meters) is ₮1,310.24 to ₮5,307.10. Prices vary based on:

- Material composition: Mild steel, stainless steel, or aluminum options affect cost.
- Coating and finish: Galvanized or powder-coated trays may be priced higher for corrosion resistance.
- Dimensions and load capacity: Wider or heavier-duty trays cost more.
- Supplier and order quantity: Bulk orders or local manufacturers may offer discounts.
- Additional costs: Shipping, installation, and fittings can add to the total expense.

Types and Suppliers Mongolia has several reputable cable tray manufacturers and suppliers, such as Super Cable Tray Pvt. Ltd. and Jeetmull Jaichandlall, offering both standard and customized solutions. These trays are suitable for factories, hospitals, shopping centers, and airports, and are often made from recyclable steel or aluminum, promoting sustainability.

Cost Considerations When budgeting for cable trays, consider:

- Installation speed: Systems like Uniklip can reduce labor costs.
- Durability vs. price: Investing in higher-quality trays may reduce long-term maintenance.
- Project scale: Large-scale industrial projects may benefit from bulk pricing and supplier negotiations.

In summary, Mongolian cable trays are affordable and versatile, with prices influenced by material, size, and supplier. For a standard 2.4-meter galvanized ladder tray, expect to pay between ₮1,310 and ₮5,307, with additional costs for fittings and installation depending on project requirements.
