

Nepal PoE Switch Manufacturer

AI Overview

Nepal primarily sources PoE switches from international brands through local distributors, with companies like First Aid Nepal, Elite Network & Communication, and Bigbyte IT World providing a wide range of options. Local Suppliers and Brands First Aid Nepal offers PoE switches from global brands such as Dahua and Hikvision, known for high-quality security and surveillance equipment. They provide both powered and non-powered ports, installation services, and expert guidance for network setups in Nepal. Prices range from NPR 5,800 to NPR 32,775 depending on port count and network capacity. Elite Network & Communication Pvt. Ltd is a Kathmandu-based IT solutions provider that supplies PoE switches and other networking equipment, serving businesses across Nepal since 1998. Bigbyte IT World distributes the Genata 16+2+1 Port PoE Switch (GNT-P4813V6), which features 16 PoE ports delivering up to 30W each, 2 Gigabit uplinks, and 1 high-speed uplink. It supports IP cameras, VoIP phones, and wireless access points, with intelligent PoE management and fanless design for silent operation. Daraz Nepal also offers a variety of PoE switches online, providing convenient access to multiple brands and models for both small and medium-sized networks.

Market Overview Currently, Nepal does not appear to have significant local manufacturing of PoE switches; most products are imported from international brands and distributed by local companies. These distributors often provide installation, technical support, and warranty services, making them the primary source for PoE switches in Nepal.

Recommendations For businesses or individuals seeking PoE switches in Nepal:

- Determine your network requirements: number of PoE ports, power output, and uplink speed.
- Choose a reputable distributor: First Aid Nepal, Elite Network, and Bigbyte IT World are reliable options.
- Consider installation and support: Many distributors offer on-site setup and guidance.
- Compare prices and specifications: Imported brands like Dahua, Hikvision, and Genata provide...
