

New Zealand Galvanized Cable Tray Specialist

AI Overview

Mechanical Support Systems (MSS) and FDG are leading New Zealand manufacturers of galvanized cable tray supports, offering pre-galvanized and hot-dip galvanized solutions for commercial and industrial projects. Mechanical Support Systems (MSS) designs, manufactures, and installs complete cable containment systems across New Zealand. They provide pre-galvanized (PG) and hot-dip galvanized (HDG) cable trays, ladders, baskets, and framing, suitable for commercial, industrial, and infrastructure projects. MSS emphasizes local manufacturing, ensuring faster turnaround, high-quality control, and flexibility for project changes. Their products comply with NZS 4219 seismic standards and AS/NZS 3013:2005 fire testing, making them suitable for critical services. MSS also offers customized solutions, BIM modeling, and professional installation by trained crews, backed by ISO 9001, ISO 45001, and PAS 99 certifications (Mechanical Support Systems). FDG Cable Support Products FDG provides a wide range of cable trays, cable ladders, and cable baskets in pre-galvanized and hot-dip galvanized finishes, with options for powder coating or custom painting. Their modular systems are adjustable and configurable, allowing easy installation and future maintenance. FDG products are compatible with FDG Modframe™, FDG STRUT™, and strut bracketry, and they offer engineering data for project planning. FDG focuses on versatile, cost-effective solutions for power, data, and audiovisual cable systems (FDG Cable Containment). Other Suppliers Tilley & Patton Ltd specializes in sheetmetal products and components, including cable trays, and provides design and manufacturing services throughout New Zealand. Ideal Electrical Suppliers stocks high-corrosion-resistant cable trays with Zn-Mg-Al alloy coatings, suitable for solar and industrial applications. Summary For New Zealand-b...
