

PLC Spectrometer Ireland Company

Overview

Since our formation in 2000, Antech have grown to become a major supplier of handheld and portable spectrometers/analysers, Process Analytical Technology (PAT / QbD) solutions including transmission and online Raman plus Near Infra Red (NIR) instrumentation. Call us at 051 392 391 with your instrument queries and we will recommend a solution – advice is FREE! cGMP Raw Material. The UVD Pharma Robot is the world's only fully autonomous, 21 CFR Part 11 compliant UV disinfection robot designed for use in regulated aseptic and GMP-controlled environments. Our Force Transfer Method of Vessel Calibration offers a modern, sustainable alternative that eliminates water use. Farnell offers high-precision spectrometers for material analysis, optical research and quality control in laboratories. These spectrometers provide accurate wavelength, intensity and spectral data, making them essential for engineers and scientists performing optical measurement, chemical analysis. We have, since 1989, specialised in Automated Analytical Systems which provide efficient & cost-effective solutions to meet the needs of Environmental, Industrial, Pharmaceutical and Research Laboratories throughout Ireland. Our in-house experts provide tailored solutions. Andor Technology Ltd is a global developer and manufacturer of scientific cameras, microscopy systems and spectrographs for academic, government, and industrial applications. Founded in 1989, the company's products play a central role in the advancement of research in the fields of life sciences.

Article Content

Thermo Fisher Scientific

Thermo Fisher Scientific enables our customers to make the world healthier, cleaner and safer. Delivering technology, pharmaceutical and biotechnology services.

Spectrometers | Farnell® Ireland

Farnell® Ireland offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

Electronic test equipment measurement systems

Ireland's leading distributor of Test and Measurement Equipment to Research and Development Laboratories, engineering labs

Home | GNR Analytical Instruments

We are GNR Analytical Instruments ... GNR Analytical Instruments Ltd. is the UK division of GNR S.R.L. In 2014, GNR celebrated 30 years of spectrometer

Elemental Analysis Solutions & Analytical Instruments | SPECTRO

SPECTRO is a global leading supplier of advanced analytical instruments like ICP, Arc Spark OES, and XRF spectrometers for precise elemental analysis of materials.

Spectrometers companies from Ireland ⇒ chemeurope

The business directory for spectrometers companies All companies incl. products, news & contact information Find suppliers now!

mass-spectrometers Distributors serving Ireland | ...

Home breadcrumb 25 results for Companies Ireland mass-spectrometers Add your Company Subscribe Filters

Mason Technology | Laboratory Equipment | Scientific

From lab equipment and industrial systems to technical services and consultancy, Mason Technology delivers trusted solutions that drive accuracy, compliance,

Accuscience – IVD, Scientific & Med-Tech

We have exclusive distribution agreements with 95% of our suppliers that cover the Island of Ireland. Accuscience has built up an

Andor Technology

Andor was purchased for £176 million in December 2013 by Oxford Instruments. The company is based in Belfast, Northern Ireland and now employs over 400 staff

Howard Instrumentation Calibration Services in Ireland

Reduce annual calibration costs, increase efficiency and simplify re-certification of equipment by using our comprehensive range of calibration services.

Andor Technology, plc

Andor Technology, plc Company Description Andor Technology, plc is a world leader in the manufacturing of high performance VUV to SWIR modular

Magritek | Benchtop NMR performance and quality

Spinsolve is a revolutionary benchtop NMR spectrometer that provides exceptional performance in a compact package.

Shimadzu Scientific Instruments | Mason Technology

For over forty years, Mason Technology has proudly been the exclusive distributor of Shimadzu scientific instruments in Ireland. Established in 1876, Shimadzu is a leading name in analytical instruments for

Scientific, Analytical & Industrial Instrumentation

Antech Solutions is a major supplier of handheld & portable spectrometers, Process Analytical Technology (PAT/QbD) solutions & NIR instrumentation.

NIR Spectrometers Market in Ireland | Report

This analysis defines the market for Near-Infrared (NIR) Spectrometers specifically deployed within the pharmaceutical sector in Ireland. The core product is an analytical instrument

Leading provider of high technology products and services for

Oxford Instruments is a leading provider of high technology products and services for research and industry.

Service Support Plans for Raman Spectrometers

As an independent HPLC and GC service contract provider we offer service on all leading manufacturers of HPLC & GC systems, instruments and modules.

Elementec

Elementec are a Laboratory Instrumentation Distributor and Service Provider based in Ireland. We provide instrumentation and laboratory equipment in the areas of

Advanced Scientific Instrumentation for Research

Welcome to Quantum Design Your Source for Advanced Scientific Instrumentation in the UK and Ireland for Scientific, Academic and Industrial Research

Services
