

# Peru s largest manufacturer of electrical distribution boxes

## AI Overview

Top manufacturers in Peru include SIGELEC, A&L Industrial Suppliers, INET SAC, and GECODEM, known for high-quality electrical distribution boxes and industrial panels. Leading Companies SIGELEC S.A.C. specializes in medium and low voltage solutions, offering customized electrical panels for industrial, commercial, and energy-efficient applications. They focus on automation and energy management, making them a strong choice for tailored electrical distribution needs. A&L Industrial Suppliers manufactures industrial electrical distribution and control panels, providing reliable grounding systems and a wide range of electrical materials. They serve sectors such as construction, mining, and energy, ensuring quality and timely delivery. INET SAC has over 20 years of experience in electrical distribution, producing electrical panels and offering expertise in low and medium voltage applications. Their solutions are widely used in industrial engineering projects across Peru. GECODEM specializes in medium voltage engineering, including underground networks and substation equipment installation. Their focus on engineering and testing ensures high reliability for electrical distribution systems. Key Distributors Cyberall Group distributes electrical distribution equipment from global brands like Schneider Electric, Eaton, Siemens, ABB, and Rockwell Automation. They provide fast delivery across Peru, making them ideal for sourcing high-quality panels and components. Sonepar Peru is a major B2B distributor, supplying electrical equipment for residential, commercial, and industrial sectors. They offer energy-efficient solutions and a wide range of products under multiple brands. Considerations for Choosing a Supplier Customization: Companies like SIGELEC and A&L Industrial Suppliers offer tailored panels for specific industrial needs. Global Bra...
