

Price of Molded Corrugated Cable Trays in China

AI Overview

Molded corrugated cable trays in China typically range from \$5 to \$50 per meter, depending on specifications, load capacity, and order volume.

Pricing Overview

The cost of molded cable trays in China varies widely based on several factors:

- Material and Load Capacity:** Light-duty molded trays are generally at the lower end of the price range (\$5–\$15 per meter), while heavy-duty or high-load-bearing trays can cost \$30–\$50 per meter.
- Dimensions and Design:** Wider or deeper trays, or those with corrugated or reinforced designs, tend to be more expensive due to increased material usage and manufacturing complexity.
- Customization and OEM Options:** Factory-direct or OEM orders with specific brand or design requirements may increase the price but can offer better long-term value and compliance with project specifications.
- Order Volume:** Bulk purchases often qualify for discounts, reducing the per-meter cost significantly, especially when sourcing directly from manufacturers or verified suppliers.

Supplier Options

- Alibaba and Made-in-China:** Offer direct access to multiple verified manufacturers and suppliers, allowing buyers to request quotes and compare prices for molded cable trays.
- GoldSupplier and Tradewheel:** Provide extensive listings of Chinese suppliers, including product specifications, certifications, and bulk order options, which can help in negotiating competitive pricing.
- Specialized Manufacturers:** Companies like Galv Cable Tray focus on molded cable trays with high load-bearing capacity, offering factory prices and tailored solutions for industrial applications.

Recommendations for Buyers

- Request Multiple Quotes:** Contact several suppliers to compare prices, lead times, and shipping costs.
- Specify Requirements Clearly:** Include load capacity, dimensions, and environmental conditions to ensure accurate pricing.
- Consider Bulk Orders:** Larger orders often reduce unit costs and m...
