

Price quote for lighting distribution boxes in the Philippines

AI Overview

Lighting distribution boxes in the Philippines are available from multiple suppliers, with prices varying by size, type, and features such as waterproofing and material. Supplier Options and Pricing JCP Group of Companies offers a range of distribution boxes across 11 branches in the Philippines, allowing for direct purchase and inquiries for quotes. Builders.ph provides electrical distribution boxes with 3 to 11 holes at wholesale prices, suitable for lighting and general electrical distribution. Lazada Philippines lists products like the Glowtech IP65 waterproof electrical distribution box, ideal for outdoor lighting and photovoltaic installations. Prices vary depending on the number of ways and features such as flame-retardant and anti-leakage properties. Shopee Philippines offers a wide selection of distribution boxes with user reviews and ongoing promotions, allowing buyers to compare prices and select based on specifications. Eezee.ph provides a platform to compare products from over 600 suppliers, with instant quotations and next-day delivery options. Prices are indicative and may vary due to supply chain factors. Key Considerations Material: Plastic, aluminum, or metal enclosures affect durability and price. Waterproof Rating: IP65 or higher is recommended for outdoor lighting applications. Number of Ways/Holes: Common options range from 3 to 11 ways, influencing cost. Delivery and Lead Time: Some suppliers offer next-day delivery, while others may require lead times depending on stock availability. For an accurate price quote, it is recommended to contact suppliers directly through their websites or online marketplaces, specifying the type, size, and quantity of distribution boxes required. This ensures the quote reflects current pricing and availability.
