

South African 10kV Common Enclosed Busbar Manufacturer

Overview

Davis Busbar Trunking Systems Africa (Pty) Ltd trading as DBTS Africa (Pty) Ltd is a leader in Africa and surrounding Islands, in the supply and Installation of Low and Medium Voltage Busbar Trunking Solutions for the Industrial segment (oil & gas, mining, petro chemical and. Davis Busbar Trunking Systems Africa (Pty) Ltd trading as DBTS Africa (Pty) Ltd is a leader in Africa and surrounding Islands, in the supply and Installation of Low and Medium Voltage Busbar Trunking Solutions for the Industrial segment (oil & gas, mining, petro chemical and. POLYBAR is a range of busbar trunking systems that is designed for effective and efficient distribution of power to electrical loads within the commercial building and industrial sectors. It is an alternative to traditional cabling and provides numerous advantages to the installer and client. Schneider Electric busbars are designed to be used inside functional and universal switchboards like Prisma and Spacial. The electrical busbar range includes traditional copper busbars, insulated multi-point distribution busbars, vertical staged busbars, multi-standard power busbars, etc. • All busbar systems are available in Copper or Aluminium. What are the benefits of using LV Cast Resin Busbar Trunking?

Our LV Cast Resin Busbar Trunking provides superior electrical distribution, enhanced safety, and increased efficiency.
