

Specifications of Fiber Optic Cables for Smart Buildings in South Africa

Overview

Cables are available from 12F up to 288F. For the higher fibre counts the High-density cable design with 200micron fibres are available. This design offers a smaller cable diameter ensuring easier cable handling and floating. Built with robust materials to withstand harsh environmental. YOA Cable, Africa's largest optical fibre cable manufacturer, is known for delivering world-class optical fibre products and exceptional customer service. We anticipate market needs, innovate and constantly refine our manufacturing processes and products to deliver faster speeds and more flexible. Photonics Fiber Cabling South Africa (PTY) Ltd is a trusted local supplier of fiber optic cables and accessories, with a specialised focus on pre-terminated drop cables for Fiber to the Home (FTTH) deployments. With over 23 years of experience in the South African fibre industry, we proudly serve commercial, industrial, and parastatal clients with reliable, locally.
