

# Straight-through cable tray manufacturer price quote

## AI Overview

Straight-through cable trays are available from multiple manufacturers with prices varying by material, size, and customization, typically ranging from factory-direct or OEM deals for bulk orders.

**Overview of Pricing and Suppliers**

Straight cable trays are offered by a variety of manufacturers and suppliers, including platforms like Made-in-China, Alibaba, McMaster-Carr, and Atkore. Prices depend on factors such as material type (galvanized steel, stainless steel, aluminum, or fiberglass), tray width and length, load capacity, and anti-corrosion treatments. Factory-direct or OEM options often provide competitive pricing and allow for customized configurations to meet specific project requirements.

**Typical Price Ranges**

Standard steel or aluminum straight trays: Prices generally start from \$10–\$50 per foot for basic sizes and materials, with bulk orders reducing the per-unit cost.

Galvanized or stainless steel trays: Higher durability options can range from \$30–\$100 per foot, depending on thickness and corrosion resistance.

Fiberglass or specialized trays: Designed for light loads or chemical environments, prices may range from \$40–\$120 per foot.

**Supplier Highlights**

Made-in-China and Alibaba: Offer a wide selection of straight cable trays with customizable lengths, widths, and finishes, suitable for bulk industrial orders.

McMaster-Carr: Provides pre-configured wire mesh and solid-bottom trays with same or next-day delivery, ideal for smaller projects or rapid deployment.

Atkore: Focuses on ladder, ventilated, and wire mesh trays with NEMA-compliant standards, offering fittings, elbows, and branches for flexible installation.

**Cost-Saving Tips**

Bulk purchasing: Ordering in larger quantities often reduces per-foot pricing.

Factory-direct or OEM deals: Eliminates middlemen and allows for tailored specifications.

Material selection: Choose the appropriate material for load and environmental conditions to...
