

What are some custom-made mesh cable tray manufacturers in Central Asia

AI Overview

Leading wire mesh cable tray manufacturers in Asia, such as JLH Electric, KDM, Tianhong, and Jeetmull Jaichandlall, offer high-quality products suitable for Central Asian projects. Recommended Manufacturers

1. Shandong Jinheng Electric Co., Ltd (JLH Electric) JLH Electric is a prominent cable tray manufacturer in China with over 15 years of experience. They produce wire mesh cable trays, perforated trays, cable ladders, and trunking. Their products are widely used in industrial, commercial, and infrastructure projects. JLH offers customization options, including materials like hot-dip galvanized steel, stainless steel, PVC, and fiberglass, and provides OEM/ODM services with fast delivery and professional support for international clients .
2. KDM Wire Mesh Cable Tray KDM specializes in wire mesh cable trays and provides a full range of types to suit different applications. They emphasize durable, functional designs and maintain large stock for both small and bulk orders. KDM also offers technical advice and project support, making them suitable for large-scale installations in Central Asia .
3. Shandong Tianhong Electric Power Technology Co., Ltd Tianhong is a leading manufacturer with over 20 years of expertise. They produce perforated trays, cable ladders, trunking, strut channels, and fittings, with automated production lines ensuring consistent quality. Tianhong provides customized solutions for industrial projects, data centers, and commercial buildings, and supports international shipping .
4. Jeetmull Jaichandlall (India) This Indian manufacturer is recognized for high-quality wire mesh cable trays and offers a variety of sizes, shapes, and finishes. They focus on tailored solutions for different industries and maintain modern manufacturing facilities to meet global standards. They are also known for competitive pricing and reliable export services .
