

Where to buy dual-core fiber optic reel

AI Overview

Dual-core fiber optic reels can be purchased from specialized suppliers like Quantum Source, Camplex, OCC, and Universal Networks, offering tactical, broadcast, and outdoor-rated options. Recommended Suppliers

1. Quantum Source Quantum Source offers a wide range of fiber optic cable reels, including dual jacket and dual-core options. They carry top brands such as Superior Essex, Corning, Prysmian, Dura-line, and Commscope. Their reels are available in single-mode, multimode, indoor, outdoor, armored, and non-armored configurations, with millions of feet in assorted reel lots. Customers can purchase online and consult via live chat for technical guidance and pricing .
2. Camplex Camplex provides dual-core tactical fiber optic reels, such as the 500 ft opticalCON DUO Multimode Fiber Tactical Cable Reel. These reels feature Neutrik opticalCON DUO connectors, factory-terminated and tested to GR-326-CORE standards, with mechanical shutters to protect the fiber ends. The reels are rugged, suitable for outdoor and broadcast applications, and include side reel flanges for easy deployment . Camplex also offers multi-channel tactical fiber assemblies with protective features like hinged doors and slotted disk dividers .
3. Universal Networks Universal Networks supplies OCC MARS and skeleton reels, designed for harsh environments and SMPTE hybrid camera cables. Their reels are robust and suitable for field deployment, with technical support available for custom solutions and formal quotations .
4. OCC (Optical Cable Corporation) OCC's Modular Advanced Reel System (MARS®) is a lightweight, modular reel system ideal for rapid deployment and storage of fiber optic cables. It supports dual-core and other fiber configurations, with optional accessories like backpacks, A-frames, and cable acquisition platforms. The MARS system is designed for harsh environments and offers stackable, transportable, and easy-to-clean features .

Key Considerations Connector Type: Ensure the reel uses compatible connectors (e.g., L...
