

Where to buy electrical distribution boxes in Cambodia

AI Overview

Top companies for complete electrical distribution boxes in Cambodia include ATS, Dhinimex, Legrand, and EKG Cambodia, each offering high-quality, reliable, and compliant solutions. ATS Cambodia is a leading electrical and automation solutions provider in Cambodia, established in 2003 and recognized as the country's first electrical panel builder. They operate the largest integrated manufacturing facility for electrical panels in Cambodia, supplying, designing, and manufacturing customized distribution boxes for residential, commercial, and industrial projects. ATS represents major global brands such as LSIS, Socomec, Philips Lighting, Schneider Electric, and Indelec, ensuring high-quality components and compliance with international standards. Their solutions are tailored to client-specific needs, including automation and energy management systems. Dhinimex Co., Ltd. Dhinimex has over 21 years of experience delivering electrical equipment and infrastructure solutions across Cambodia. They design and manufacture high-quality electrical distribution equipment, including control panels, transformers, and substations. Dhinimex provides end-to-end solutions, from installation to monitoring systems, making them a strong choice for large-scale industrial and utility projects. Their focus on quality, innovation, and long-term reliability ensures safe and efficient power distribution. Legrand Cambodia is an international brand with a strong presence in Cambodia, offering a wide range of electrical distribution products such as consumer units, circuit breakers, transformers, and DIN rail equipment. Known for safety, energy efficiency, and scalability, Legrand products are suitable for residential, commercial, and industrial applications. Their solutions are backed by global expertise and recognized for high-quality standards, making them a reliable...
