

# Which company makes the best fire-resistant cable trays in Qatar

## AI Overview

For fireproof cable trays in Qatar, Manycon Trading and Contracting WLL is a top choice for certified fire protection, while Altura Industries, ServeGas, and Electra offer high-quality cable tray systems with local support.

**Top Options**

- Manycon Trading and Contracting WLL** Manycon specializes in cable fireproofing and cable tray fire protection across Doha, Lusail, Wakrah, and Ras Laffan. They provide intumescent cable coatings, fire retardant paints, and firestop systems that maintain circuit integrity and protect critical electrical infrastructure under fire conditions. Their solutions comply with QCD, UL, and FM standards, making them ideal for projects requiring certified fire protection.
- Altura Industries** Altura is a leading cable tray manufacturer in Qatar, offering GRP/FRP cable trays and ladders suitable for harsh industrial environments such as petrochemical, marine, and oil & gas sectors. Their products are designed for smooth cable pulling, durability, and corrosion resistance, and they provide a wide range of wire basket, wire mesh, and ladder-type trays.
- ServeGas, TransDelta, Adastra, and Classic Engineering Solutions** These suppliers provide flexible, certified cable tray systems compatible with power, telecom, and fiber optic cables. They emphasize installation efficiency, dependability, and in-country support, and offer customizable materials including stainless steel, perforated trays, and ladder types. Choosing these suppliers ensures safety, cost-effectiveness, and compliance with international standards.
- Electra** Electra offers a wide range of cable trays and accessories, including wire mesh basket trays, heavy-duty trays with covers, and various bends and couplers. Their products are available in pre-galvanized, hot-dip galvanized, and epoxy-coated finishes, providing durability and flexibility for different installation environments. Electra has over two decades...
