

Which manufacturers produce fiber optic patch cord platforms in Indonesia

AI Overview

Indonesia hosts several reputable manufacturers of fiber optic patch cords, including Norden Indonesia, Indofiber, PT Inti Fiber Optik, and PT Voksel Electric Tbk, offering a range of standard and customized solutions.

Key Manufacturers

- 1. Norden Indonesia**
Norden Indonesia produces a variety of fiber optic patch cords, including breakout and double-armored types. Their products support multi-mode and single-mode fibers (OM1, OM2, OM3, OM4, OS1, OS2) and are designed for office LAN connections, pigtailed, and high-durability applications. They offer pre-terminated and launch cables suitable for OTDR testing and network installations.
- 2. Indofiber**
Indofiber manufactures fiber optic patch cables compliant with TIA 604 (FOCIS), IEC 61754, and YD/T standards. They provide OM1-OM4 and OS2 fiber types for high-speed networks, including Gigabit Ethernet and 10 Gigabit Ethernet. Their patch cords feature high-quality zirconia ferrules, multiple connector types (LC, SC, ST, FC, LSH, MTRJ, MU), and rugged flame-retardant jackets. All products are factory-terminated and tested for insertion loss and return loss.
- 3. PT Inti Fiber Optik**
PT Inti Fiber Optik specializes in premium fiber optic cables, including FTTH drop cables, indoor/outdoor cables, and patch cords. They offer full OEM/ODM customization, including cable length, diameter, fiber count, jacket material, and branding. Standard production lead times range from 3-7 days, with custom orders taking 10-20 days. They provide free samples depending on shipping location and guarantee high-quality, reliable products.
- 4. PT Voksel Electric Tbk**
Located in Jakarta, PT Voksel Electric Tbk manufactures optical fiber cables with a detailed production process including coloring, secondary coating, stranding, and sheathing. Their products are designed for durability and high performance, suitable for FTTH and FTTX applications.
- 5. Other Notable Companies...**
